

Vega Projector 600W

General Application Areas

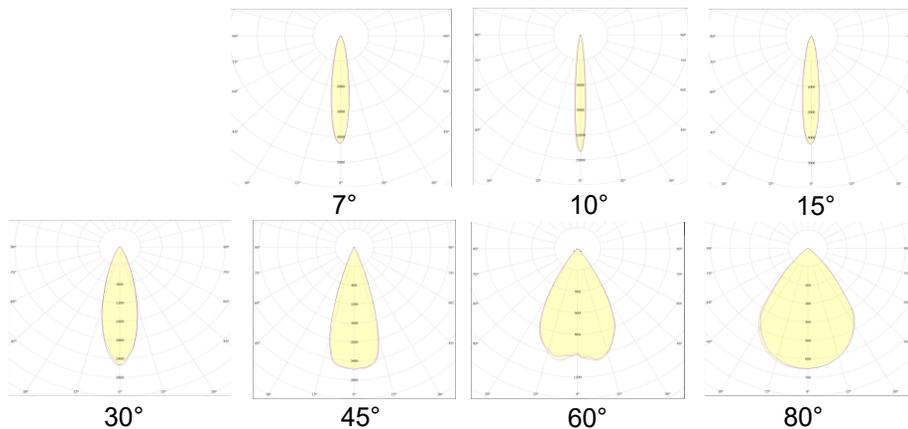

General Information

Compliant with 4K TV Broadcast and Shooting Standards

Optional Anti-glare visor.
Excellent Surface Quality
Flicker Free
CRI 70 / 80 / 90 & TLCI

Optical Beam Angles

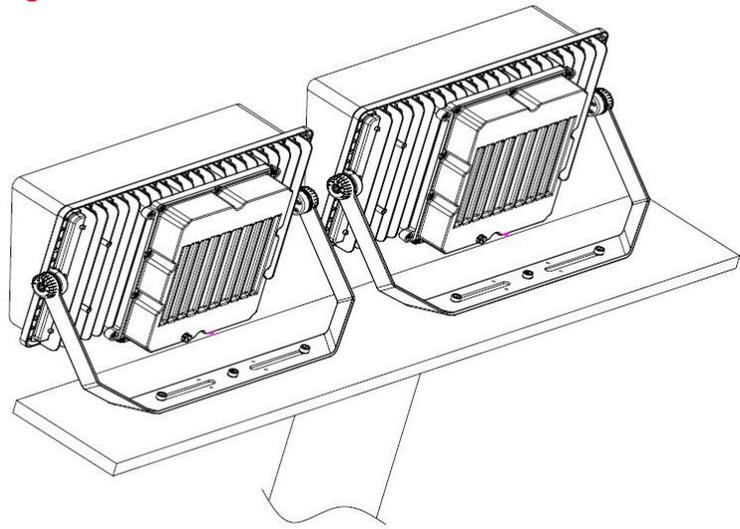

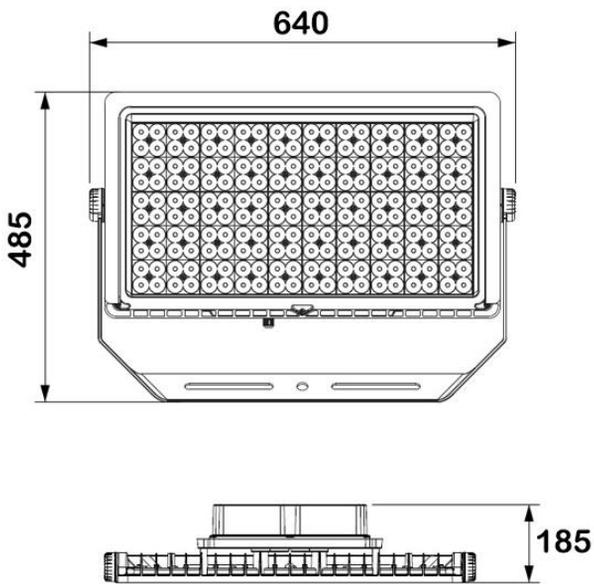

Vega Projector 600W

Technical Specifications

Model	: Vega		
Power	: 600W		
Input Voltage	: 100-277V AC 50/60Hz		
Power Coefficient	: 0,99		
Lumen	: >78954		
Number of Led	200 Pcs / SMD 5050 or 3535 High Power	Light Color	3000-4000-5000-6500K
Color Rendering (CRI)	70/80/90 Optional	Led LM80(L70) Lifetime	>60.000 Hours
Operating Temperature	-30 / +55°C	Lens Angle	7°-10°-15°-30°-45°-60°-80°
Ip Protection Class	IP66 Outdoor	Body Material	Aluminum Injection
Front Section	4mm Tempered Glass	Mounting Foot Screw Diameter	10 or 12 mm
Mounting Foot 2 Screw Spacing	20 cm	Weight	15,4 kg
Dimensions	63,7 x 46,2 x 13,4 cm	Test Standards	EN 60598-1, EN 60598-2-5

* Lumen values are given for CRI 70.
